BRING IN GREEN
Take your cues from Mother Nature, and think of this color more like a neutral. It works well with many other shades.

Patterns can give great atmosphere, as can be seen in the paintings of Vuillard and Matisse and earlier pre-Raphaelite interiors. I love pattern and use it a great deal, especially in carpets. —David Hicks

HOT PATTERN *Honeycomb*

Also called hexagon or chicken wire, this graphic, nature-based shape can ground a room or catapult it to new heights
